Dear Sir -

I am really sorry  
you did not get in touch with  
me concerning date for ball team  
at Easton Ball Park.

I had spoken  
to Mr. Paycheck for date and he  
had promised if I could get teams  
I could have date.

This effort was not for  
myself personally, ~~but~~ I wanted to  
raise money to buy a place that my  
people may have a recreation center  
for our children. They have no  
other place but school and that  
is far too small. Then we are to  
organize a group to finish program.  
I spoke to you in Cambridge. Will  
we will not do anything to
